WORK EXPERIENCE

User Experience Designer

TELUS Health | January 2022 – Present

- Work collaboratively to define problems, generate solutions, and formulate recommendations to help TELUS Health meet strategic goals for their Collaborative Health Record product

Freelance Service Designer

Moving Forward Family Services | August 2021 – October 2021

- Facilitate a workshop with C-suite executives
- Use a human-centred design process to improve the intern onboarding process by reducing ambiguity and saving employees and students time

Freelance UI Designer

Telus Health, University of British Columbia | June 2021

- Collaborate with stakeholders to design and implement an eMental Health clinic landing page to deliver accessible mental health care from qualified physicians

Media and Events Coordinator

UBC Addictions and Concurrent Disorders Research Group
September 2020 – March 2021

- Lead a team to transform eHealth conferences with over 50 speakers and over 1,700 attendees into virtual events for the first time
- Design a website and promotional content for events

Media and Communications Assistant

UBC Addictions and Concurrent Disorders Research Group
May 2019 – August 2020

- Define and document product features for an eHealth platform
- Develop media strategy and manage a team of five people to create educational media content

VOLUNTEER EXPERIENCE

Lead UX/UI Designer

Building Blocks Peer Mentoring | January 2020 – June 2021

- Collaborate with stakeholders to define product features and design iterations
- Communicate product specifications to developers to deliver a high-quality product
- Mentor new UX/UI Designers and lead design critiques
